

THSOA-SE Chapter/SonarWiz Training

Gulfport, Mississippi

October 25-26, 2023

Following the Southeast Chapter's Lunch & Learn on October 24, The Hydrographic Society of America – Southeast Chapter will be holding a sidescan, sub-bottom and multibeam training event at the USM Marine Research Center in Gulfport Mississippi.

The 2-day training seminar will cover all the aspects of sidescan, sub bottom and multi beam hydrographic surveying, processing and reports using SonarWiz.

When: October 25-26, 2023

Price: \$450 per person

\$350 per student

*Includes lunch for the two days

Where: USM Marine Research Center
Port of Gulfport Entrance Hwy 90
Gulfport, Mississippi

Registration: [EventBrite](#)
